ABESEC/HOSTEL/POL/02

27 April, 2022

## **POLICY** **REGARDING USE OF DESERT COOLERS BY HOSTEL INMATES**

With effect from forthcoming Academic Session 2023-24, following policy for use of desert coolers shall be followed by Hostels inmates:

- Desert Coolers can be used in Boys Hostel only, not allowed in Girls Hostel as it is fully air condition now.
- Inmates of Boys Hostel willing to use the desert cooler shall fill up an undertaking for using desert cooler and obtain signature of Block Warden.
- Once the undertaking has been signed by the block warden, submit requisite fee in Accounts Section and submit the receipt in Warden Office.
- Only plastic body Coolers with proper 3 pin plug and 3 core 15 amps power cable for power connection with proper earthing for safety can be used.
- Inmates shall abide by general safety norms throughout the period of usage of Cooler.
- Cooler stand of proper size shall be used for installing the Cooler, use of bricks or any other item for raising the height of the Cooler is not allowed.
- No damage to room's fittings and fixtures is allowed for installing the cooler, in case of any damage, applicable fine shall be payable.
- The installation shall be supervised by electrical staff deputed by AO2.
- If any of the above guidelines are not followed by the inmate, a fine of Rs. 500/- shall be imposed and permission for use of cooler shall automatically stand cancelled, also the inmate shall be liable to face any disciplinary action as deemed fit by the college authorities including expulsion from hostel or rustication from the college or both without any refund of fee.
- Wardens would ensure strict compliance of the above policy.
